CTR FACTOR
AI PRACTITIONER ACADEMY™

From AI Curious to AI Capable

Making Practical AI Proficiency Accessible to Everyone.

THE GAP

Millions have access to powerful AI tools but lack a systematic way to use them effectively.

Fragmented tutorials, inconsistent skills, unreliable outputs, and limited real-world application.

OUR SOLUTION

A structured, hands-on academy that teaches people how to use leading AI platforms to accomplish real tasks.

Common foundations, platform electives, practical applications, and demonstrated proficiency.

NOT JUST LEARNING ABOUT AI. LEARNING TO ACHIEVE WITH AI.
